Ibili, since 1942

NUESTRA HISTORIA

Llevamos fabricando y distribuyendo menaje de cocina desde 1942. En todos estos años hemos aprendido que los nuevos tiempos requieren de nuevas ideas, y que la cultura de la **innovación** es la que favorece la adaptación a mercados y necesidades incipientes. La innovación nos ha acompañado en todo este viaje y el resultado es que IBILI actualmente es una marca de confianza, comprometida con la **calidad** de sus productos y con el **servicio** que ofrece a sus clientes.

Actualmente producimos y comercializamos todo tipo de productos relacionados con el menaje de cocina para el hogar y la hostelería. Seguimos innovando, a través del **diseño** propio y la fabricación en una amplia variedad de materiales. Queremos ser sostenibles porque nos preocupa el medio ambiente. Pero sobre todo queremos ser honestos porque nos preocupan las personas. **Honestidad, Salud y Sostenibilidad**, son tres de nuestros principales valores.

Hemos creado nuestro universo IBILI online. Nos encontrarás en las redes sociales y en muchas tiendas pequeñas y grandes, porque todo este trabajo ha derivado en un catálogo de más de 3.500 referencias de producto y un almacén logístico de 32.000m² ubicado en Alegria-Dulantzi (Alava), construido por el Grupo Marcos Larrañaga, al que pertenecemos.

OUR HISTORY

We've been manufacturing and distributing kitchenware since 1942. In all those years, we've learned that new times require new ideas. And that the culture of **innovation** is what fosters adaptation to emerging markets and needs. Innovation has been by our side during the entire voyage. And the result is that today IBILI is a trustworthy brand, committed to the **quality** of its products and the **services** it provides to clients.

Today, we produce and commercialise all kinds of products related with kitchenware for the home and hospitality industry. We keep innovating, using our **own designs** and manufacturing with a wider variety of materials. We want to be sustainable because we're concerned about the environment. But above all, we want to be honest, because we're concerned about people. **Honesty, Health and Sustainability** are three of our core values.

We've created our online IBILI universe. You can find us on the social networks and in a lot of small and large shops, because all the work we've done has led to more than 3,500 items and a logistics warehouse of 32,000 m² in Alegria-Dulantzi, Alava that was built by the Marcos Larrañaga Group, which we belong to.

NOTRE HISTOIRE

Nous fabriquons et distribuons des articles de cuisine depuis 1942. Au cours de toutes ces années, nous avons appris que les temps nouveaux exigent des idées nouvelles et que la culture de l'**innovation** favorise l'adaptation aux marchés et aux besoins émergents. L'innovation nous a accompagnés tout au long de ce parcours et le résultat est qu'IBILI est aujourd'hui une marque de confiance, engagée dans la **qualité** de ses produits et le **service** qu'elle offre à ses clients.

Aujourd'hui, nous produisons et commercialisons toutes sortes de produits liés aux articles de cuisine pour la maison et l'hôtellerie. Nous continuons à innover, en introduisant notre propre **design** et en fabriquant une plus grande variété de matériaux. Nous voulons être durables parce que nous nous soucions de l'environnement. Mais avant tout, nous voulons être honnêtes parce que nous nous soucions des personnes. L'**honnêteté, la santé et la durabilité** sont trois de nos principales valeurs.

Nous avons créé notre univers en ligne IBILI. Vous nous trouverez sur les réseaux sociaux et dans de nombreux petits et grands magasins, car tout ce travail a abouti à plus de 3 500 références de produits et à un entrepôt logistique de 32 000 m² situé à Alegria-Dulantzi (Alava), construit par le groupe Marcos Larrañaga, auquel nous appartenons.

A NOSSA HISTÓRIA

Somos fabricantes e distribuidores de materiais de cozinha desde 1942. Ao longo de todos estes anos, aprendemos que os novos tempos requerem novas ideias, e que a cultura da **inovação** favorece a adaptação aos mercados e às novas necessidades. A inovação tem-nos acompanhado sempre nesta viagem, e o resultado é que IBILI é, hoje em dia, uma marca de confiança, comprometida com a **qualidade** dos seus produtos e com o **serviço** que oferece aos seus clientes.

Atualmente produzimos e comercializamos todo o tipo de produtos relacionados com os utensílios de cozinha para uso doméstico e para a hotelaria. Continuamos a inovar, introduzindo o nosso **design** próprio e fabricando artigos numa variedade crescente de materiais. Queremos ser sustentáveis, porque nos preocupamos pelo meio ambiente. Mas queremos sobretudo ser honestos, porque nos preocupamos pelas pessoas. **Honestidade, Saúde e Sustentabilidade** são três dos nossos principais valores.

Criámos o nosso universo IBILI online. Estamos presentes nas redes sociais e em muitas lojas, pequenas e grandes, porque todo este trabalho se traduz em mais de 3500 referências de artigos, que distribuímos a partir de um armazém logístico de 32000m² localizado em Alegria -Dulantzi (Álava), construído pelo Grupo Marcos Larrañaga, ao qual pertencemos.

- **Utilizable por ambos lados, un lado liso y el otro con canal**
- **Superficie de alta densidad que evita la absorción de líquidos**
- **Resistente a manchas o marcas de cuchillos**
- **Fibra de madera procedente de bosques gestionados de forma sostenible**
- Usable on both sides. One side is smooth and the other side has grooves
- The surface is high density so liquids aren't absorbed
- Resists knife marks and stains
- Environmentally friendly cutting board made with wood fibre and natural resin from sustainably managed forests
